

March 12, 2021

California Cities for Local Control, a growing coalition comprising to-date of **over 377 locally-elected California City Mayors and Councilmembers**, opposes SB10 (see website referenced below for list of elected officials).

SB 10 specifically interferes with the right of local jurisdictions to make decisions regarding the appropriate density and use of properties in their areas.

Local city councils are best informed to assess the needs of their communities.

Sincerely,

A handwritten signature in black ink, appearing to read "Mike Griffiths".

Mike Griffiths

Founder, California Cities for Local Control
