California Cities for Local Control, a growing coalition comprising to-date of **over 416 locally-elected California City Mayors and Councilmembers**, opposes AB 215 (see website referenced below for list of elected officials).

This bill extends unfunded local mandates.

AB 215 unnecessarily burdens local planning efforts and fosters an adversarial relationship between local governments and the state.

The Legislature should work with, not against, city governments to address the state's housing needs.

Sincerely,

Mike Griffiths
