

April 8, 2021

California Cities for Local Control, a growing coalition comprising to-date of **over 416 locally-elected California City Mayors and Councilmembers**, supports SB 765 (see website referenced below for list of elected officials).

Giving cities the flexibility to establish minimum setback distances is a welcome option that allows knowledgeable local leaders to consider the individual circumstances of communities and specific parcels.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Mike Griffiths'.

Mike Griffiths

Founder, California Cities for Local Control
