

April 22, 2021

California Cities for Local Control, a growing coalition comprising to-date 435 locally-elected California mayors and city council members, opposes AB 1398.

This bill imposes shortened deadlines on local governments already overburdened to keep up with revised state housing legislative mandates. Further, It subjects cities to judicial proceedings in the event they flounder.

The Legislature should work with, not against, city governments to address the state's housing needs.

Sincerely,

Mike Griffiths  
Founder, California Cities for Local Control
